PRESENTS

ODE TO RAGHAVENDRA
BY T.V.SUDHEENDRACHAR

//sri gururajo vijayate//

*My soul itself is "afloat" in the tears flowing out of my eyes,! How can i
confess about countless sins I have committed! Oh! Gururaya!*

*My mind is being "caught" in the tornado of desires and "battered" by the
tempest of fear!,
I beseech upon you to guide me safely to the nearest land! by uttering your
Holy name! Oh! Guru raya!*

*I am roaming aimlessly in the desert of "darkness" mired with the quicksands
of "ignorance" everywhere and my throat is parched dry!
Will you not mitigate my thirst with the 'Ganga' of your compassion! Oh! Guru
raya!*

*I have sacrificed all my sins at the 'altar of repentence'at your feet!!
I have sacrificed all my ignorance by performing the 'Ashwamedha of
Knowledge! in your divine presence!!*

*Please do come and take up permanent residence in the 'Mantralaya of my
soul"! Oh! Gururaya!*
